PRESS RELEASE ON EXTENSION OF TIME TO REMEDY FREE FLOAT DEFICIENCY

Golden Guinea Breweries Plc. (the Company) wishes to inform its shareholders, stakeholders and the NGX Regulation Limited (NGX RegCo) that the Company has been unable to remedy its Free Float Deficiency that was due on 4th February, 2024.

The inability to remedy the Free Float Deficiency was mainly due to the disruption of brewery operations which was brought to the kind attention of the regulatory authorities.

Upon application for extension of time by the Company, the NGX Regulation Limited (NGX RegCo) granted approval of a new date of 19th August, 2025 within which to achieve compliance with NGX's Free Float requirement

The Shareholders, stakeholders and the NGX Regulation are hereby assured that the Free Float Deficiency shall be remedied within the extended time frame, without failure.

For: **GOLDEN GUINEA BREWERIES Plc.**

UDO OGARANYA.
